

Big Doings continued from page 1

another free app that can be used for checking out audiobooks, magazines, ebooks, etc. And the app, **Simply E**, is also available through our Library system for ebooks and audiobooks.

With the pandemic upswing due to the Delta variant, it looks like we could be in for more months of physical distancing and library closure, so you may find these applications very useful for overcoming some of the isolation.

Aaron's Answers continued from page 1

However, during the Covid-19 crisis, many people stopped commuting and using their cars as much, so whenever there was a break from the wildfires, the air was extremely clean.
