Three Win Prizes in Contest

On June 16th, three children on our block received \$20 cash prizes for providing us with the correct number requested in the "Address To Impress" contest.

'70' is the result of summing the addresses of the houses pictured (320, 329, 340, 353, 356, and 365) to get 2,063 – and then subtracting BI's 'birthyear', 1993.

5 entries were received, representing children from three households. S.L, the only entrant from his household was one winner. In the other two households, a roll of a die was used to determine which child would be the winner. C.S. and S.G. won the cash prizes. We thank their siblings, L.S., and I.G., for joining in the competition!

As we visited their homes to award them their prizes, we learned that they all had fun searching the block to gather the addresses. That was music to our ears! Thank you for participating and congratulations!

Bowfin Street's Sahil G. Earns Recognition for Art

Sahil G, of Bowfin St. was the only Foster City kid to win an honorable mention in the public agency, **Rethink Waste's** "Trash to Art" contest.

Honorable Mention – Individual

- Sahil G. (3rd grade)
- Foster City Elementary, Foster City
- "Basketball Court"

Furthermore, as the only FC entrant to win an award, Sahil received this Certificate of Recognition (on the left) from the Foster City Council at their June 20th meeting. Congratulations, Sahil!
